About Us

We are one of Scotland's leading independent florists for beautiful, seasonal blooms and original, creative design. Established in 1997, we have been helping couples celebrate for over 20 years.

Our inspiration comes from nature, with a focus on seasonal flowers, foliage and textures. Our style is a bit wilder, free and less structured, allowing the flowers to do the talking.

We are a friendly, talented team, dedicated to our couples; many of whom have become friends.

OUR WEDDINGS

From the smallest buttonhole, to epic arches; from pretty back gardens, to grand ballrooms – our wedding flowers are all truly personal to you.

We are open and transparent. We won't bamboozle with elaborate descriptions. We won't bury hidden costs in the small print. And, most importantly, we promise not to give you the same flowers that you've seen a thousand times! We will listen to you and your ideas, and together we will collaborate to help make it the best day ever!

STEP BY STEP

You have probably never considered wedding flowers before, so we hope this guide will make your planning a bit easier. Here's how to get started:

Step One: Research

Look online, especially social media. Just like invitations or music, flowers reflect your style, so check you like what we do.

Step Two: Get in Touch

Please use our online form to make an initial enquiry. It asks about your date and venue, rough numbers, any ideas on style and colours, along with other bits of information.

Step Three: Let's Chat

After we receive your form, we'll get in touch to arrange a chat and take it from there. We are flexible with days of the week and times, but sometimes we book up in advance (especially Saturday appointments).

PLANNING & APPOINTMENTS

We'll use our first chat to type up a draft plan for your wedding flowers (including costs). After this, if you decide to go with us, we will ask you for a booking fee to secure the date.

Once the booking is confirmed, we will invite you for this second consultation appointment. This can be in-person, or over the phone. This is all about confirming the details and looking at specific flowers, colours, etc., in more detail. We'll also look over all the little practical things like set-up costs and delivery information.

Dates Deposits and Budgets

After you have had a chance to look over your brief, we hope you will choose us for your flowers. To move forward with us, set up the second appointment, and secure the date in our calendar, we will ask you for a booking fee. Usually this is £200 but might be more or less depending on your requirements. The booking fee is non-refundable, but will be deducted from your final invoice.

We love working on weddings and feel very lucky to be involved with lots of events throughout the year, but this can mean that our diary fills up. It's important to note that your date will remain open for others to book until we receive the fee.

ADDITIONAL CHARGES

We have a very transparent charging process and will break everything down and list all costs separately.

In addition to the costs for your flowers, there may be some other charges such as delivery, installation, disposal, vase hire, etc. Some or all of these may not apply to you, and it will vary depending on your requirements, but we will always make you aware of any extra costs.

Delivery charges are dependent on the address and travel distance. Installation and disposal will relate to the time we need to spend on site setting things up.

HOW MUCH WILL IT COST?

The overall cost for your flowers will vary depending on lots of things: your budget, flower choices, colours, quantities, etc. But we understand that you probably don't know how much a bridal bouquet or flower arch might cost, so we have outlined some average prices here to help with your planning.

We don't have a minimum overall spend and will always try and tailor the costs so they are comfortable for you and within your budget. If in doubt, just ask us.

The Wedding Party

HANDTIED BRIDAL BOUQUETS

Classic dome: beautiful flowers combined with seasonal foliage and textures. These can be made in various styles, from neat and manicured, to relaxed and meadowy. Handtied with ribbon binding. (From £120)

Trailing, teardrop and larger bouquets: wild and romantic rambling style, or classic, delicate shower forms. Handtied with ribbon binding. (From £150)

BRIDESMAID & FLOWER GIRL

A smaller version of the bridal bouquet using complementary flowers and colours. (From £80)

Flower girl posie designed for under 12s. (From £40)

HAIR FLOWERS

Hair Circlet / Crown: wired crown of flowers with ribbon fastening. (Full £80, Half £60)

Hair Comb: flowers wired on a hair comb. (From £50)

Hair Buds: individually wired stems for placement in the hair. (From £35)

BUTTONHOLES

Gentleman's Buttonhole: rose, thistle and/or seasonal stems bundled with foliage. Open stems with twine or ribbon binding. (From £12)

Junior Buttonhole: as above, but smaller scale suitable for under 12s. (From £8)

CORSAGES

Lady's Lapel Corsage: cluster of flowers and foliage designed for a garment or handbag and secured using magnets. Open stem with twine or ribbon binding. (From £20)

Wrist Corsage: crafted to sit elegantly on the wrist. (From £30)

The Ceremony

AISLE

From wild bundles of eucalyptus tied with trailing ribbon (from £30), to dramatic swags filled with flowers (from £70), lining the path to the ceremony will add atmosphere to any venue. Jam jar posies tied with ribbon are a lovely option (from £30).

Seat and pew ends are great options, but you could place displays on the ground, such as floor meadows. We can also advise on suitable options that can be reused.

LONG & LOW DISPLAYS

Long and low arrangements (from £140 for 60cm length, and length can be increased to suit) are great focal-point flowers perfectly suited for mantelpieces, altars or officiant tables. They are usually front facing with a moss backing and are really easy to reuse, perhaps on the top table.

For a more casual look, we could also use handtied arrangements in glassware or a little trio of filled posie jars (see costs below).

PLINTH DISPLAYS, PEDESTALS & URNS

Bring the wow factor with these large scale displays. These can work anywhere, but are perfect for framing key areas like entrances or providing backdrops to the ceremony. They can be elegant and formal, adding structure and symmetry to a space. Or go wild and asymmetric and bring the outside in using large branches and trailing ivy.

Small plinth arrangements (no urn) from £140, Pedestal and filled urns from £250-£350).

ARCHS & FRAME INSTALLATIONS

In our signature naturalistic style, we can create showstopping ceremony arches/floral columns and venue entrances. We can also make sure they moveable so can be reused at the party.

Options can include full arches (from £700), broken/asymmetric (from £500), half-arch (from £400) and hoop/moon arches (from £450).

MEADOWS AND FILLED CRATE INSTALLATIONS

A more informal, relaxed and rustic alternative to arches and pedestals, we can create garden style meadow displays and vintage wooden crates filled to the brim with flowers and foliage.

Floor meadows (from £140 for 60cm length) and filled crates (small £80, medium £160 and large £240). Additional vintage crates available to hire.

The Reception

FLOWERS IN GLASSWARE

BUD VASES & POSIE JARS:

Filled jars look beautiful running the length of long tables or grouped in various sizes on round tables. Single stem bud vases from £5, small/narrow bottles from £15 and jam jar posies from £25 (all excluding glassware).

MID-SIZE VASES:

Loose, rambling and glorious arrangements of flowers and foliage in low-level glassware. These are large enough to stand alone as a single arrangement in the centre of a table (from £65). Larger versions can be created for venue décor, such as bars and guestbook tables (from £100).

TALL TABLE VASES:

These are great to add height to your tables, using 70cm (approx.) glassware topped with floral displays and foliage, these arrangements will provide major impact to any venue (from £150).

ELEVATED FLORAL TABLE CENTRES & CANDELABRAS

Another impactful option for your tables, we can combine beautiful flowers with contemporary brass cube stands, or classic candelabras. Brass cubes with floral display from £170. Foliage dressed candelabras from £75.

TABLE RUNNERS

These are a great way to simply decorate long tables, like trestles or banqueting style. A continuous line of loosely laid foliage such as eucalyptus, ruscus and fern, looks amazing and creates a lovely, informal atmosphere. Table runners are great on their own but also look wonderful with jar posies or taller displays. (Foliage runners from £20 per meter)

CAKE FLOWERS

Bedeck your cake in fresh flowers and foliage to create a showstopping centrepiece. Cake topper (from £35), side spray (from £30), or individually wired blooms (£35 for a set).

LARGE SCALE INSTALLATIONS

Floral chandeliers, staircase garlands, mantelpiece meadows, suspended hoops... If you can dream it, we'll find a way to create it! Costs for these types of installations always vary depending on scale and logistics, but we can chat in more detail when we meet.
